

HT FloraVantage Control Probiotic

A targeted probiotic to help regulate body fat and weight*

Form: Array

Flavor:

Size:

Featuring the clinically studied probiotic B420™, FloraVantage Control may help individuals achieve body weight regulation.*

FloraVantage Control with Bifidobacterium lactis B420™ has been shown to help:

- Regulate body fat and body weight*
- Reduce calorie intake*
- Support weight maintenance*
- Promote short-chain fatty acid (SCFA) production*
- Increase Lactobacillus and Akkermansia in the gut.2 Lactobacillus and Akkermansia strains are both associated with intestinal microbiomes of healthy, lean individuals.^{3,4*}

This product should be used as part of a multidisciplinary weight management program, as recommended by a healthcare practitioner.

† Based on a six-month clinical study of overweight individuals taking Bifidobacterium animalis lactis 420 (B420™) and fiber as compared to placebo.
